Thank You

Thank you for helping us meet the needs of thousands of people in Mexico, and Egypt!

An excellent way to help the ministry is for your group to contribute funds to purchase medical supplies or eyeglasses. If you would like to participate in this way, please mail the funds to the OSI office in advance for our staff to purchase exactly what we need.

As an individual or along with your church, family, and friends, you can help meet the various needs of the people you will be serving.
